## **Returning Items**

On-campus users must return return books and other media to the ILL returns bin at Newman Library or one of our branch libraries. Do not return items to the bins outside of the library.

Extended campus users who live outside of the New River Valley (Montgomery, Giles, and Pulaski counties) can have books and other media mailed to them. When it's time to return the item, use the mailing label sent with the item to return it for free. Users in the National Capital Region can also pick up and return items at the Northern Virginia Center Resource Center.
